

80ft Power Catamaran "SONG SAIGON"

2008. An exceptional ocean passage aluminium motor catamaran. Designed by Joubert Nivelte, she has a 3 300 NM range and accommodates up to 9 guests plus 2 crew in 5 cabins. The space on her main and upper decks is just huge.

85ft "SUN TENAREZE" 2004 - After six years around the world, from Svalbard (80° of latitude North) to crystal clear waters of the Pacific Islands, from the roaring forties around New Zealand to the quiet "marsas" in the Red Sea, from Asia to Canada, SUN TENAREZE has proved to be reliable, safe, fast and extremely comfortable.

120ft "NAHEMA" New Construction

A new and unique design built in order to achieve unequalled goals of perfection, performance and space. Number one under construction for sale.

Privilege 585 "OCEAN'S SEVEN"

2004. Serviced in 2007. She is ideal for blue water cruising. She accommodates a large salon with the galley up, 4 double guest cabins and 2 crew. She always has had a full time highly qualified captain and stewardess on board. She has excellent tracks of charter.
