Shandor - yacht sold by Bernard Gallay and Burgess

Burgess tell me that the 49.95m motor yacht *Shandor* sold yesterday with Bernard Gallay at Bernard Gallay Yacht Brokerage representing the buyer.

*Shandor* was built by Schweers in 1986 and refitted in 1999 and 2008. Lloyds classed and MCA compliant, she has a classic John Munford interior and accommodates up to 12 guests in a master, two double and two twin cabins with two Pullman berths.

This superyacht, the first true expedition yacht, offers the opportunity to explore the world in comfort and safety. She is one of the most seaworthy yachts of her size, is full of character and offers unparalleled deck and dining space - along with comfort and safety at sea.

Shandor was asking €6,975,000. For more information contact:
