Yachting in Style *with Peace of Mind*

Bernard Gallay

The Yacht *Market Overview*

As BGYB approaches the autumn and winter seasons, it only feels right to reflect on the success of this year. Our fleet, team, and events attendance only continue to grow and flourish, and it is with great excitement that we look ahead to what is yet to come until 2026.

Sales

Our Sales Team continues to go from strength to strength, with several new listings and sales to report from the past few months. A particularly notable sale was the GP70 **CATCH ME**, a 2024 nominee for multihull of the year. Others include the 104ft Alloy Yachts **IRELANDA**, the Scorpio 75 sailing yacht **BLACK HAWK**, and the newly built **ALEGRIA 67** catamaran under construction.

Our fleet also continues to expand, with new additions to our sailing, motor and multihull yachts. Amongst the motor yachts is the iconic Burger 60 Gentleman Yacht **SALLY**, while the sailing fleet welcomed the 114ft Farr Design Carbon Ketch **SOJANA**, the Swan 77 **TUGELA I** and the Bordeaux 60 **KAİROS**. Multihull listings include the Sunreef 80 Eco **APOLLO 99**, the Privilege 745 **CATTITUDE**, the Alegria 67 **SEMPER FIDELIS**, and the Outremer 55 **SAGA**. A special mention must go to the exceptional IRC One-Off 54 **TEASING MACHINE**, a custom-built multi-award-winning racing yacht.

Charter

Over the past few months, the charter department has seen outstanding results. The 2025 summer season has already delivered our strongest performance to date... and the year isn't over yet. We've secured a record number of bookings again this year and have already begun signing contracts for both the upcoming Caribbean season and summer 2026.

Recent charter highlights include selling the 104ft Alloy **IRELANDA**, which then became **ABUNDANCE** and remains part of our central agency. She is currently preparing for a world tour, similar to the four-year one which the 65m Classic Schooner Replica **ATLANTIC** will embark on next year. We are also thrilled to welcome the 80ft Sunreef Power **TESNI** to our fleet, a beautiful eco-catamaran, and the brand-new 2026 Lagoon Sixty 5 Catamaran **LADY ROSE**. The charter fleet is always growing and we cannot wait to see what the rest of 2025 brings!

Marketing and Development:

BGYB has had a very exciting six months in terms of marketing and development. This started with a successful reworking of our website to ensure the best possible user experience. Further success was found at the Palma Superyacht Show in April, where BGYB was proud to exhibit 8 of their own yachts!

Our team also continues to thrive and expand. June saw the arrival of a new Sales Assistant, Anastasia Vassal, a new Charter Assistant, Amy Kenyon, helping to manage marketing and listings for our fleet. Other recent additions include a new Assistant of the Charter Broker Managers, Lola Garnier, in the Palma Office, and a new English Broker Henry Hughes, both of whom are playing key roles in boosting BGYB's international presence.

Looking ahead, we are excited to attend a number of upcoming yacht shows. First will be Cannes Yachting Festival and Monaco Yacht Show, where BGYB is thrilled to display the 100ft Maxi Dolphin **NOMAD IV** for sale. This is shortly followed by the renowned Voiles de Saint Tropez, and finally by the Antigua Charter Show in December, where **ATLANTIC**, **ABUNDANCE** and **MANE et NOCTE** will be presented.

EXPLORER YACHTS

Explorer Yachts

Freedom, Adventure, and Ultimate Self-Sufficiency

Explorer yachts are capturing the imagination of a growing number of yacht owners and charter clients who are looking to go beyond traditional cruising grounds. These purpose-built vessels represent a new era of yachting, prioritising advanced engineering to allow autonomy and resilience for yacht owners and sailors.

These yachts are, above all, built for endurance and safety allowing cruising in the world's most remote regions. Their steel or aluminium hulls offer durability in rough seas and even icy waters, while full-displacement designs ensure stability and comfort. With long-range fuel tanks, redundant systems, and ample storage for provisions and gear, they're designed to operate independently for extended periods - making them ideal for off-the-grid cruising without sacrificing luxury. This growing trend is fuelled by a desire to escape the crowded Mediterranean and Caribbean hotspots, and

instead reconnect with nature, discover uncharted territories, and experience a sense of isolation and serenity rarely found elsewhere. Explorer yachts provide the perfect platform for this type of travel - offering adventure without compromising on safety, luxury, or comfort.

Today's explorer yachts are not only built for endurance, they also feature the latest in onboard technology,

expansive living spaces, helipads, dive centres, and fully equipped beach clubs - allowing owners and guests to enjoy complete freedom with all the luxuries of a superyacht lifestyle.

Several world-class shipyards have specialised in this niche segment, contributing to its rapid evolution and popularity. Among the most respected are Damen Yachting, known for their SeaXplorer series, Cantieri delle Marche, Sanlorenzo, Turquoise Yachts and Silver Yachts each bringing their own approach to combining capability with style.

Rolex Middle Sea Race

Date: 18 - 25 October 2025 - Location: Malta, Mediterranean Sea

'The most beautiful race in the world'

The Royal Malta Yacht Club and the Royal Ocean Racing Club cofounded the race in 1968. The race is a true challenge to skippers and crews, even at their very best, due to the changeable and demanding conditions.

Starting from Grand Harbour, yachts will sail a course leaving to port the Island of Sicily, the Aeolian Islands (including Strombolicchio), the Egadi Islands (except Marettimo Island), Pantelleria and Lampedusa Islands, through the South Comino Channel, keeping Malta to starboard, to the finish line in Marsamxett Harbour. The length of the course is approximately 606 nautical miles.

St Barths Bucket Regatta

Date: 12 - 15 March 2026 - Location: St Barth, Caribbean

A Regatta with Spirit

First organised in Nantucket, Massachusetts in August 1986, the Bucket was originally a birthday celebration where only seven sailing superyachts raced around a 15-mile course on Nantucket Sound. Although the prize from this first year was simply the undisputed sailing bragging rights for the year, participants enjoyed the camaraderie and atmosphere of the event, leading it to become official. Between 1986 and 2001, the Nantucket Bucket flourished, reuniting yacht owners, crews and guests each year. Hosted in Newport, Rhode Island for over a decade, the event moved in St Barths in 1995. The St Barths Bucket attracts an increasing competing fleet each year but the spirit of the race remains the same!
